Help Support CLC's Memorial Fund

Make a donation in "memory of" or "in honor of" a loved one. All money received for the Mary Wagner Memorial fund will go toward staff training. We will notify the family of your generous donation. We will also print their name in our newsletter all year long. All donations are tax deductible.

Annual Dinner Dance June 5, 2009

Yes, it is that time of year again – Dinner Dance Time. As you know, your son/daughter/family member looks forward to this event every year. This year's Dinner Dance will take place at Glen Oaks Country Club (Orchard Lake and 13 Mile Road). This year we will hold CLC's Annual Parent/Family Member Meeting just prior to the Dinner Dance. The schedule for the evening is as follows:

6:00 pm – 7:00 pm Annual Parent/Family Member Meeting. (beverages & snacks will be available during the meeting)
6:30 pm Consumers and staff arrive
7:00 pm Hors d'oeuvres
7:30 pm Dinner will be served
8:15 pm Heart Award Presentations
8:45pm Let's Dance the Night Away

CLC has not held an Annual Parent/Family Member meeting at large for several years so I thought this would be a great opportunity to present the "State of the Agency" Report; provide an update on the Family/Sibling/Friend/Business Challenges; provide a MORC, Inc. update and allow time for questions and answers.

We will again be presenting "Heart Awards" to:

- Volunteer of the Year

THE CLC CONNECTOR

Connecting the family, friends and staff of Community Livings Centers, Inc.

FROM THE EXECUTIVE DIRECTOR'S DESK

Laura Pollaccia-Scanlan

- Special Service Award
- Teacher of the Year

Please join us for the Annual Parent/Family Member Meeting and the Annual Dinner Dance.

2009 OPERATION PRIDE

PROMOTE CLC TO THE COMMUNITY, NEIGHBORS, FRIENDS, BUSINESSES, ETC.

REVENUE GENERATION MUST INCREASE

I AM PERSONALLY RESPONSIBLE FOR HELPING CLC CONTINUE AS A VIABLE ORGANIZATION

DELIVER A 100% EFFORT, A POSITIVE ATTITUDE TO YOUR JOB EVERY DAY

EXPENSE CONTROL IS CRITICAL TO OUR SUCCESS!!

You are probably asking – "What is 2009 Operation Pride?" 2009 Operation Pride is the program presented to the staff outlining how we can all work together to promote CLC's continuation as a viable organization; deliver a 100% effort and positive attitude to our jobs everyday; and play a part in controlling expenses. By May 1, 2009 every staff person will attend a presentation on the components of this program.

To assist staff in promoting CLC to the community, neighbors, friends and businesses, each staff person was presented with a spring jacket with

Volume 7, Issue 2 - Spring 2009

CLC's name, emblem and the word "staff" on it. Staff wearing their jackets will be one way of promoting CLC to the Community. All staff have been asked to supply 2-5 names of individuals who they think would like to receive our newsletter, event invitations, etc.

For revenue generation, staff are being encouraged to remind Support Coordinators that we have vacancies in our programs and to ask the Support Coordinators to provide CLC with referrals for the vacancies in our group homes. We have asked staff to keep their eyes open for grants or other fund raising opportunities and to provide us with names of companies who would be willing to help CLC in any way.

CLC is only as good as the staff who serve our consumers. Our consumers come first and if we continue to have this attitude, then CLC will survive.

Expense control is critical to our success. Expense control is everyone's job – decrease the use of overtime; control use of heat and air conditioning; conserve water consumption by checking for leaking faucets or running toilets; check for open windows where heat or air conditioning can escape; monitor food and paper supplies; and look for ways to decrease spending on groceries and in other areas.

Each home has a 2009 OPERATION PRIDE poster displayed as a visual reminder of the program components.

If you have any ideas that can help CLC, please give me a call and let's discuss them.

**Weight Loss
 Winners!
 Laurie & Steven**

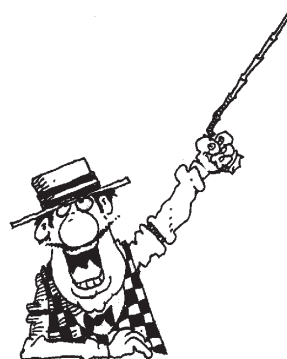

Getting Healthy Can Be Fun!
 With summer just around the corner, the AILP/SILP group wanted to do something healthy and fun to bring summer in with a bang. They started a weight loss contest – with no pressure! Just fun! For eight long weeks they tried hard to look past the sweets and fatty foods.

Two teams of men and women weighed in every week with closed eyes until their numbers were revealed only to them. If you stopped by the office, you may have seen the chart, and couldn't help but get excited for each one as the colors and stats revealed a close race. Each resident put \$3.00 a week into a pot. The person who lost the most received 75% of the pot while second place received 25% of the pot. Quite an incentive!

Congratulations to the gals' winner Laurie L., with Debbie A., and Margaret H. tied for second place. Congrats to the guys' winner Steve L. and David D. in second place. Way to go!

The Southfield Apartments are located on 12 mile in the Bonnie Acres Community. After many challenges from the city, Mary conquered all obstacles and opened our doors in 1983. We currently have 5 men and 6 ladies living in the Apartments. Our home is unique in that it is an apartment building licensed with 24 hour staffing. There are 8 apartments, one used as the office and the others are for residents. Each apartment has a full bath, kitchen, 2 bedrooms, with a living and dining area. Staff support our residents with weekly menu planning, grocery shopping and cooking. Everyone has their own checking account, pays bills, writes and cash checks for their weekly spending with the help of the manager.

Southfield Apartments opened
 It's doors in 1983

Weather permitting, many of our residents will either walk or take the bus to their bank in Berkley. Those who are comfortable, use public transportation to go out to eat or do personal shopping on the weekends. One of the clients taught a peer how to use the bus and he now uses it to go to work at Meijers when he chooses. It really is an ideal living situation; our residents can have their independence and staff support as needed. Over the years we have had several residents "graduate" into their own apartments and are now a part of our SILP program. For others, their needs have become greater over time, so they have moved to where more support can be provided for the best quality of life. As needs changed over the years,

**Group Home Spotlight
 Southfield
 Apartments**

more support has been provided at the Apartments, however, we are working toward getting back to our original goal of being more of a "training apartment" teaching the skills needed for independent living.

Aside from working on goals, all of our residents work at various job sites. Many enjoy the summer weekends, as that is when they practice their independence in the community. They have recently joined enrichment classes on Mondays. Exercise is encouraged and when staff is successful we get a group together to workout to videos in the

hallway; during warmer months they will go to a neighborhood park to go walking. With help from MORC our new annual event enjoyed by all is the Detroit Princess Riverboat Cruise. The

manager of the home has been there for 15 years and thankfully there hasn't been a huge turnover of staff. Janice is the longest employed staff in CLC; Richard and Kathi have been with our agency for over 20 years as well. Our Medical Coordinator Kim is going on 7 years; Kelly, Annie, and Jihan will be celebrating their 3rd year of direct care in the upcoming months.

The manager feels that the stability of staffing helps with building close relationships with the residents, which then results in providing the care each individual needs.

 Manager-Southfields Apts.

EMPLOYEE SPOTLIGHT

Juanita
 Sims
 Direct
 Care
 Worker

In 1993 Juanita Sims lived next door to CLC's old Hazel Park House. She met the Manager and the Manager said "Hey, why don't you come work for CLC?" Juanita will celebrate her 16th anniversary this September. Juanita currently works at House II as a Direct Care Worker. What does she like best about working with the residents? She answered, "The love they give."

When Juanita isn't working, she enjoys word puzzles and playing solitaire. Her favorite CLC fundraiser is the Dance-A-Thon. What does Juanita like best about CLC? She answered, "The way the employees look after the residents. The staff that they hire are the best caregivers. I like that CLC is like a family company."

**The CLC Connector
 e-Newsletter**

Community Living Centers is making it easier for you to stay connected with everything going on in the CLC community. We are offering to send you a copy of the CLC Connector straight to your e-mail inbox instead of through the U.S. Postal Service. Interested CLC Family members and Friends who want to receive CLC news on a more timely basis can sign up by sending an e-mail note to Ron Weber at RWeber@clchomes.org.

Also, send Ron the e-mail addresses of friends you want to receive an electronic copy of The CLC Connector. Current and back issues are always available on the CLC website at www.clchomes.org and clicking on "News".

And you will be doing your part to save the environment!!!!!!

**Resident Spotlight
JACK**

Jack has been with CLC for several years. John, a.k.a. Jack, has lived at House I and II, Freedom House, Southfield Apartments, and had an apartment in Farmington with Russell as his roommate. He now resides at Wagner House and has been there for ten years.

Jack reports that he and his wife Carol have known each other for many years and lived together at House I and at Freedom and were boyfriend and girlfriend in the past. Living together at Wagner gave them the opportunity to rekindle their feelings for each other and they were married on June 22, 2008. I don't think either of them have stopped smiling since that day!

Jack has always been a hard and dedicated worker. He has been at the Costick Center for many years and works 5 days a week. Prior to the Center, Jack worked at Vic's Market and was at Big Boy for several years. Jack also has responsibilities at home and now that the weather is nice Jack cleans off the lawn furniture and helps with yard work. When not working, he says he enjoys arts and crafts classes on Monday nights and bowling on Saturday afternoons. When at home he keeps busy watching sports and Law & Order and working on puzzles and coloring pictures.

When asked what he likes about CLC, Jack states that the people are nice and he has lived in nice homes. But the best thing is that he met his wife!

Jack also says he can't wait to dance with his bride at the upcoming Dinner Dance in June.

JACK AND HIS LOVELY BRIDE

Thank You Celebrity Chefs

Once again Master Chef Milos Cihelka pulled off another fabulous Celebrity Chef Dinner on April 17, 2009. A delicious 5 course meal was prepared by the finest chefs in town. A great big thank you to all the Chefs that took time out of their busy schedules to prepare meals for 175 guests.

Thanks to Chef Charles Rachwitz from Rocky's, Chef Steve Allen from Steve & Rocky's, Chef Joseph Beato from Via Nove, Chef Kevin Brennan and Pastry Chef Jeffrey Hammer from Detroit Athletic Club, Chef Michael Green from Lochmoor Country Club, Chef Mickey Lutes from The Whitney, Gerald Matthes from Give Thanks Bakery, Chef Jim Bologna from The Townsend Hotel, Chef Brian Polcyn from Five Lakes Grill and Forest Grill, Chef Richard Travis from The Tribute, Chef Daniel Vallone from Tam O'Shanter Club, Chef Brian Walsh from Oakland Hills Country Club and Chef Randy Smith from Walnut Creek Country Club.

THERE'S MORE?

The Chefs Dishing About their Dishes

Texas Hold Em' Fundraiser

CLC sponsored its first Texas Hold Em' poker fundraiser in February which proved to be a big success. \$8,200 was realized through the efforts of CLC volunteers who donated their time to work at the 8 night event. The event was staged at the Shark's Club in Canton.

Plans are in the works for this coming fall to stage a second series of Texas Hold Em' poker nights to benefit CLC. Sharpen your poker skills and plan on joining us for a few hands of poker to benefit CLC. If you aren't a poker player type, we can offer you a great night of excellent "people watching" by signing up to be a volunteer to help run the event. More details will be forthcoming in our next newsletter.

A GOLD MEDAL WINNER

For the Special Olympics Winter Games, Freedom resident, Aaron C., took home the Gold this year as a member of the Team Farmington Ski Team. The Winter Games were held this February at the beautiful Schuss Mountain near Traverse City. Aaron earned a Gold medal in downhill skiing. At the Special Olympics banquet Aaron also received a special plaque for being the "Most Improved Athlete." Congratulations!

DE -TROT BAS-KET-BALL

On Sunday, March 29th, twelve members of the AILP/SILP group went to the Palace of Auburn Hills to see a Detroit Pistons game. As part of the Pistons Friends and Family day the group was escorted to the main floor to get their picture taken. They were each given a Pistons

gift card for \$8.00 to purchase a snack at the concession stand. At half-time one member of the group, who was having a birthday, got to see her name appear on the jumbo-tron.

The staff at the Palace were very gracious to our group and everyone had a great time despite the snowstorm on our trip home. And to top it off, the Pistons won!! They beat the 76er's 101 to 97. Go Pistons!

By Marta Doxtader
DCW AILP/SILP

**Resident Spotlight
PATRICK**

Since we are celebrating our folks in order of age, I have done all my interviews at Wagner House. It seems that the residents are getting used to my interviews and can't wait for their turn! Patrick D. has been with CLC since 1972. He reports that he lived in the first Wagner home on 13 Mile and named all his roommates at that home. Pat then moved to House I when it was built and lived there for several years before moving into his current home. He has lived there since "Sister Shirley was there".

Pat works at New Horizons and says that he is 76 and is too old to work! Needless to say, he enjoys his one day off a week and on those days he says he likes to still get out of the house and will go on transport with the staff or will go shopping. Pat has always been a fan of the summer days and being outdoors. He helps by raking the yard which is a big yard! When not outdoors, Pat stays busy by playing Euchre or Hearts and keeps up on the news every night. Pat has monthly visits with his sister who lives nearby and is proud to report that his nephew is a teacher at Mercy High School.

When asked, Pat said he looks forward to the Annual Dinner Dance and asked me the details of this year's dance. He is a simple man and goes with the flow of things. CLC is proud to be providing the care Pat needs to feel comfortable in his home.

We Have a Graduate in the Office!

Please join us in congratulating our Executive Director on her recent achievement! On April 25, 2009, Laura received her degree, Masters of

Arts in Pastoral Studies (M.A.P.S.) from Sacred Heart Major Seminary in Detroit. The festivities started on Friday night with an awards banquet where she received her Cum Laude Academic Honors Award. The evening also included a wonderful meal which was enjoyed by all and the excitement started to build for the actual graduation ceremony taking place the next day.

Laura, her sister Kathy and myself decided to arrive at the seminary early on Saturday morning. This would enable us to get a good seat to be able to see and get pictures. If you have never had the pleasure of visiting the seminary, you are missing a beautiful building in the city. They are celebrating ninety years this year and the building was breathtaking. Since we got there so early, we sat for a while in the quiet of the library and talked with Laura about her seven year journey to acquire this particular degree and what Kathy and I would expect to see. Once we were seated in the auditorium, I was glad we got there early as it filled up fast and we were able to sit on an aisle seat. Since I was going to take pictures, this was greatly welcomed. Of course, a very tall man sat in front of me and obscured my view for most of the time but I was getting good at peeking around his broad shoulders.

After the Mass, which was presided over by His Excellency, Archbishop Vigneron, the candidates for graduation were called up and received their diplomas or certificates from Arch-

2009 FAMILY AND FRIENDS CHALLENGE UPDATE

During October and November, Community Living Centers (CLC) launched the 2009 Family and Friends Campaigns. CLC depends on gifts from parents, siblings, and friends to help fund our annual shortfall in revenue. Only 60% of the money needed to care for approximately 125 adults comes from state money, government subsidies and grant programs. The other 40% must come from potential donors like you.

To date, approximately 40% of CLC parents and 19% of CLC siblings have answered our call for financial support. We are at approximately 60% of our goal of raising \$450,000 through pledges, one time donations and private grants. If you've decided you can't lend a hand to CLC residents right now – please keep us in mind when you feel comfortable making a donation. If, however, you are still considering a donation, or just haven't had

the chance to drop it in the mail, I hope you will do it soon because CLC needs your help. We are asking everyone to participate to the maximum level they can. Each contributor's name will be listed in each of our 2009 quarterly newsletters "Honor Roll of Donors" and CLC website at the appropriate financial level of contribution.

We have just made it easier for you to donate by adding a link on the CLC website. Just log onto www.clchomes.org and click on the "Support CLC" to access the on-line donation form.

Please contact Laura Hand, CLC Accounting Associate, if you have questions regarding structuring a donation, donating deferred gifts of life insurance, real estate, appreciated securities or other properties, or wanting to include CLC in your estate planning.

If you have already sent a gift, thanks for your generous gift. Your support means more than you could possibly know.

Ronald A. Weber
Development & Marketing Manager

bishop Vigneron. Wouldn't you know it, the moment Laura went to shake his hand to receive her diploma, the camera died!! When I finally got it to work again and aimed at her, a woman stepped in front of her and blocked my view. So much for getting there early to get a good seat for the amateur photographer! Fortunately, there was a professional photographer also taking pictures so she is sure to get a great picture to put in her photo album commemorating the event. After the final blessing, we went into a different area for a reception with punch and hors d'oeuvres. Kathy and I were able to meet some of Laura's fellow graduates.

I was delighted to be able to share this moment with her. I asked her if she was now done with school and she got a sheepish grin on her face and said, "Well, the Licentiate in Sacred Heart Theology (S.T.L.) degree looks interesting!" We laughed and told her I was losing track of the initials after her name! To quote a verse: "Well done, good and faithful servant" seems very appropriate in light of her achievement and hard work in earning this degree. Way to go Laura, and again, well done!!
