Signature/Authorization

While every effort has been made to assure accuracy in the plan definitions on this form, I understand that this is strictly an election form. The contracts that my employer has signed with the insurance carriers and plan documents will be binding. I understand that this election may not be changed during the plan year unless I have a qualified status change and that unused allocations, if any, by law, will be forfeited according to the plan documents. I authorize my employer to reduce my wages by the amounts required (if needed) to pay for the Flexible Benefit Options I have elected. My signature below acknowledges my elections on pages 1, & 2.
